
TANZ eCampus Terms of Service

By using the TANZ eCampus website, or by downloading and or using a TANZ eCampus mobile application, you confirm that you agree to these Terms of Service and to the TANZ eCampus Privacy Policy. If you do not agree, do not use our website and do not download and use our mobile apps.

Rules for online conduct

- You are responsible for your own use of the site and for ensuring the security of the personal information held on your computer, mobile or other device.
- You acknowledge the use of this site is at your own risk.
- You will comply with all applicable copyright, intellectual property and software license agreements, and respect the copyright and intellectual property rights of all TANZ eCampus teaching materials.
- Respect the privacy of others and abide by the TANZ eCampus Privacy policy. This includes (but is not limited to) confidentiality of email, files, data and transmissions.
- You will conduct yourself in a professional and respectful manner, and not undertake any prohibited activities (list below*).
- Ensure all passwords or other authorisation assigned are kept confidential and never shared with others.

For learners and staff any breaches of these terms may be referred to your enrolling or employing institution for consideration under their policies.

Access and Use

- You may only use the website for the purpose of seeking or undertaking online educational opportunities as an individual or for associated authorised administrative purposes, and for no other purpose.
- Access to the website is not guaranteed; it may be blocked for maintenance, operational or technical reasons.

Denial of access

- We may restrict or block your access to and use of our websites and or mobile apps at any time if we reasonably believe that you may have breached any provision in these Terms of Service.

Personal Information

- The learning environment respects all community participants and their right to privacy. Registration on and use of the TANZ eCampus website requires provision of some personal information, use of which will be limited to the purposes for which it is provided.
By providing personal information when using the TANZ eCampus website, you agree TANZ can share that information with:
 - your education provider (ITP); and
 - TANZ contractors to the extent that those contractors may have access to your personal information in the course of administering and improving TANZ's IT systems and website.

Feedback for Success

- Information will be provided to individual learners and their advisor and facilitator on a learner's engagement and progress through the course. The information will include such things as learner interaction with the website (time of log in, activities undertaken, progress and assessments). This information will be used to provide appropriate support to facilitate success, and for personalisation and optimisation of learning. This data linked to learner name will remain confidential to the learner, TANZ eCampus staff and relevant staff of the enrolling ITP. Any further dissemination of this data will be anonymized and at a group level, primarily used to improve the service. Any reporting of analysed data will be anonymous.

Limitation of liability

- TANZ eCampus is not liable for any loss or damage (including direct or indirect loss, or special or consequential loss) arising out of or in connection with:
 - the use of (or inability to use) our websites or mobile apps by you or anyone else; and or
 - the breach in the security of your computer, mobile or other device or the access to any information held on your computer, mobile or other device by unauthorised third parties.
- TANZ eCampus retains the right to alter these Terms of Service at any time.

*Prohibited activities include, but are not limited to:

- a. Destruction or alteration of data owned by others
- b. Harassment of other users.
- c. Intentional damage
- d. Disabling other people's computers
- e. Compromising security
- f. Disabling or corrupting software systems
- g. Destroying, altering, or compromising information integrity
- h. Email spamming
- i. Sending of threatening or intimidating email or social media postings
- j. Service attacks (e.g. making it difficult or impossible for others to use the network effectively and efficiently)
- k. Initiating or passing on computer chain letters or electronic junk mail
- l. Accessing pornographic material or any other objectionable material
- m. Sharing any authentication information E.g. user and password details written and in plain sight
- n. Logging on to the website with your own authentication details for someone other than yourself to use
- o. Infringement of copyright (including plagiarism) or software license agreements
